

**Remarks**

Claims 1-10 are pending in the application. The claims were amended pursuant to Article 34 in the international phase. See Annex to the International Preliminary Examination Report, submitted herewith. The Article 34 amendments to the claims are deemed to be entered and in effect in the U.S. national stage. Claim 5 is further amended herein to eliminate a multiple dependency.

The Article 34 amendments to the specification are also deemed to be entered and in effect in the U.S. national stage.

Thus, replacement pages 6, 7, 8, 12, 23, 26 and 30, marked "AMENDED SHEET (ART. 34)" as annexed to the International Preliminary Report on Patentability, are deemed part of the application.

An abstract is submitted herewith on a separate page. The abstract is based on the abstract of the international application.

Entry of the above Preliminary Amendment is respectfully requested.

Respectfully submitted,

**DO-MAN KIM, *et al.***
